Stone Coated Steel Roofing Systems

DECRA
profiles

*A sheet of raw steel.
The highest quality
stone coating.
Together they form a
product of strength
and performance
that withstands hail,
fire, earthquakes,
even hurricane
force winds.*

*DECRA Roofing Systems represents a perfect
blending of over 40 years of research, technology
and practical experience. Offering the ultimate
in performance and engineering design,
DECRA Tile, Shake, Shingle and Shingle
Plus are the most beautiful, durable and trouble-
free roofs available today.*

DECRA tile

Offering the beauty and style of Mediterranean Tile and lightweight stone coated steel; a DECRA Tile roof allows maximum design flexibility and will add a unique elegance to any home.

DECRA shake

DECRA Shake is an ideal alternative to traditional shake roofing. It offers the richness of cedar shake, while providing the durability and longevity of stone-coated steel. This superior product is guaranteed to enhance any color scheme.

DECRA shingle

DECRA Shingle provides a high-performance, long-lasting, lightweight alternative to traditional shingles. For the first time, you can have the beauty of this distinctive style, reinforced by the strength and longevity of steel.

DECRA shingle plus

For those who prefer the look of a heavy-cut architectural shingle, DECRA Shingle Plus is the perfect choice. With its deep shadow lines and the dimension of wood or slate, DECRA Shingle Plus will complement any architectural style.
