

## A legacy of integrity.

For three generations, the Crane family has been in the business of making quality siding products. The Crane heritage is grounded in the American tradition of hard work, pleasure in craftsmanship, and satisfaction in a job well done. Today, Crane is a category leader in innovation and is committed to sustainability, resulting in beautiful, durable products you can depend on and be proud of.

Oracle Quad 4.5" Dutchlap is engineered with SOLID CORE™ insulation that gives your home all the performance advantages of **SmartCORE™** intelligent design.

### SmartTRACK™ System

Our **SmartCORE™** Insulation breathes naturally. . . moisture vapor evaporates as it passes through the panel. Specially designed **SmartTrack** ridges create an air space for ventilation, allowing moisture to evaporate.

Any excess moisture is guided out through **SmartTrack** engineered channels. **SmartTrack** creates the ultimate moisture management system.

### Oracle™ Performance Features

-  True-milled cedargrain finish
-  No Painting. No Scraping. True Maintenance Freedom!
-  R-Value up to 4.0 depending on profile
-  **SmartCORE™** Insulation engineered to breathe and keep moisture out
-  300% more impact resistant than fiber cement
-  45% noise reduction
-  17% better air filtration protection
-  **CraneSpan®** wide panel coverage
-  Available in 13 colors
-  No-Nonsense Life-of-the-Home Warranty

## Accents to make your home complete.

**Architectural Essentials™** are the decorative window and corner systems, trim boards, crown moldings and other details that pull your entire exterior together. Made to match the aesthetics, quality and efficiency of Exterior Portfolio® by Crane, its attractive, soft-brushed finish looks like real painted wood trim. Architectural Essentials cover every area of your home, providing the perfect final touch. Most Architectural Essentials Accessories are available in the same gorgeous color options as Oracle™. All are engineered to fit smoothly with any Oracle design style you choose.

ColorLife™ Fade Defense is an advanced color protection formula that utilizes BASF's Luran S technology to keep siding color fresh and true for the life of the home.

When correctly installed, SOLID CORE SIDING can help meet the performance guidelines of an ENERGY STAR qualified new home.

Exterior Portfolio® by Crane is more than beautiful, long lasting exterior products for your home. We believe in a sustainable future for everyone. For you, this means a home made from environmentally preferred materials. For us, it means cladding products offering benefits such as durability and low maintenance. All of our products provide a long service life that requires no harmful finishes. Because our commitment to the environment stretches from our home to yours, we engineer sustainable benefits into our product development process through innovations such as our *SmartTRACK™* moisture management system and our energy-saving, *SOLID CORE™* insulation. To learn more, please visit [www.exteriorportfolio.com](http://www.exteriorportfolio.com).

Oracle™ Quad 4" and Quad 4.5" Dutchlap are available in all 13 colors listed above. Architectural Essentials™ Accessories are available in up to 17 colors depending on the product style.
