

A legacy of integrity.

For three generations, the Crane family has been in the business of making quality siding products. The Crane heritage is grounded in the American tradition of hard work, pleasure in craftsmanship, and satisfaction in a job well done. Today, Crane is a category leader in innovation and is committed to sustainability, resulting in beautiful, durable products you can depend on and be proud of.

Give your home a remarkably refined effect.

Premium Pointe® 360 will give your home the prestigious presentation it craves. Available in Double 4" and Double 4.5" Dutchlap profiles, its tasteful textures and handsome hues combine to produce a stunning exterior silhouette. With its unequalled quality, pronounced performance advantages and alluring appearance, you'll feel confident choosing Premium Pointe 360.

Exterior Portfolio® by Crane is more than beautiful, long lasting exterior products for your home. We believe in a sustainable future for everyone. For you, this means a home made from environmentally preferred materials. For us, it means cladding products offering benefits such as durability and low maintenance. All of our products provide a long service life that requires no harmful finishes. Because our commitment to the environment stretches from our home to yours, we engineer sustainable benefits into our product development process through innovations such as our *SmartTRACK™* moisture management system and our energy-saving, *SOLID CORE™* insulation. Accents to make your home complete.

Architectural Essentials™ are the decorative window and corner systems, trim boards, crown moldings and other details that pull your entire exterior together. Made to match the aesthetics, quality and efficiency of Exterior Portfolio® by Crane, its attractive, soft-brushed finish looks like real painted wood trim. Architectural Essentials cover every area of your home, providing the perfect final touch. Most Architectural Essentials Accessories are available in the same gorgeous color options as Premium Pointe 360. All are engineered to fit smoothly with any Premium Pointe 360 design style you choose.

Premium Pointe 360 Double 4" and Double 4.5" Dutchlap are available in all 18 colors listed above. Architectural Essentials™ Accessories are available in up to 17 colors depending on the product style.
