THE NATURAL BEAUTY OF SHENANDOAH®

SOME THINGS JUST FLOW NATURALLY INTO OTHERS

Shenandoah Beaded and Triple 3" Vinyl Siding each deliver rich, natural beauty and superior performance to your home's exterior.

Shenandoah Beaded is sculpted to provide the look of traditional hand-carved beaded siding, while **Shenandoah** Triple 3" is designed to recreate the elegant look of traditional narrow clapboard siding.

UNMATCHED VALUE—Both **Shenandoah** Vinyl Siding styles are manufactured from top-quality solid vinyl, yet are very reasonably priced.

A LOOK THAT LASTS— **Shenandoah** Vinyl Siding features ColorHold®: a UV-stable acrylic polymer that has superior fade-resistant properties. This means the color you choose today will keep its original look and luster long into the future.

EASY TO MAINTAIN—The texture and feel of fresh paint, without the hassle and cost of

constantly having to scrape, sand or paint. A low-gloss brushed finish that's designed to wash clean with an occasional rinse. **Shenandoah** Vinyl Siding stays beautiful much longer, and with far less maintenance, than many competitive siding brands.

WARRANTED FOR PEACE OF MIND—**Shenandoah** Beaded and Triple 3" Vinyl Siding are backed by a Limited Lifetime Transferable Warranty,* with Lifetime Fade Protection, an additional home owner protection bonus!
